Reasons for Allowance

Claims 1, 3-11 and 13-18 are allowed.

The following is an examiner's statement of reasons for allowance:

Claim 1 is allowable because the art of record, considered alone or in combination, neither anticipates nor renders obvious a round baler comprising a bale kicker having *a support arm is rigidly affixed to the axle and extends generally rearwardly away therefrom generally between and parallel to the pair of axle brackets*, in combination with the rest of the claimed limitations.

Claims 7 and 15 are allowable because the art of record, considered alone or in combination, neither anticipates nor renders obvious a round baler comprising a bale kicker including: *first and second generally transverse torsion bars with aligned longitudinal axes generally parallel to the transverse axle*, in combination with the rest of their respective claimed limitations.

Claim 11 is allowable because the art of record, considered alone or in combination, neither anticipates nor renders obvious a round baler comprising a bale kicker having *a torsion bar has a multifaceted portion on each of the first and second end, and an axle bracket is rigidly affixed to the axle and extends generally rearwardly away therefrom*, in combination with the rest of the claimed limitations.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue
